

UNITED STATES DISTRICT COURT  
DISTRICT OF NEVADA

10 ERVIN MIDDLETON, ) Case No. 2:16-cv-00359-GMN-NJK  
11 Plaintiff(s), )  
12 vs. ) ORDER  
13 ENHANCED RECOVERY COMPANY, LLC, ) (Docket No. 27)  
14 Defendant(s). )  
15

---

16 Pending before the Court is Defendant's motion to extend the discovery cutoff and subsequent  
17 deadlines. Docket No. 27. The Court held a hearing on that motion on September 7, 2016, at which  
18 Plaintiff opposed the motion. *See* Docket No. 29; Hearing Rec. (9/7/2016) at 9:44 a.m. As stated at the  
19 hearing, the motion to extend is **DENIED**.

20 “A scheduling order is not a frivolous piece of paper, idly entered, which can be cavalierly  
21 disregarded by counsel without peril. The district court’s decision to honor the terms of its binding  
22 scheduling order does not simply exalt procedural technicalities over the merits of [the parties’] case.  
23 Disregard of the order would undermine the court’s ability to control its docket, disrupt the agreed-upon  
24 course of the litigation, and reward the indolent and the cavalier.” *Johnson v. Mammoth Recreations,*  
25 *Inc.*, 975 F.2d 604, 610 (9th Cir. 1992) (internal citation and quotations omitted). “The use of orders  
26 establishing a firm discovery cutoff date is commonplace, and has impacts generally helpful to the  
27 orderly progress of litigation, so that the enforcement of such an order should come as a surprise to no  
28 one.” *Cornwell v. Electra Cent. Credit Union*, 439 F.3d 1018, 1027 (9th Cir. 2006).

1       The Court has broad discretion in supervising the pretrial phase of litigation. *Zivkovic v. S. Cal.*  
 2       *Edison Co.*, 302 F.3d 1080, 1087 (9th Cir. 2002). A request to extend deadlines in the scheduling order  
 3       must be supported by a showing of “good cause” for the extension. *See* Local Rule 26-4; *see also*  
 4       *Johnson*, 975 F.2d at 608-09. The good cause inquiry focuses primarily on the movant’s diligence. *See*  
 5       *Coleman v. Quaker Oats Co.*, 232 F.3d 1271, 1294 (9th Cir. 2000). Good cause to extend a discovery  
 6       deadline exists “if it cannot reasonably be met despite the diligence of the party seeking the extension.”  
 7       *Johnson*, 975 F.2d at 609. “[C]arelessness is not compatible with a finding of diligence and offers no  
 8       reason for a grant of relief.” *Id.* The movant bears the burden of establishing good cause for the  
 9       extension sought. *See, e.g.*, *Werbicky v. Green Tree Serv’g, LLC*, 2014 WL 5470466, \*2 (D. Nev. Oct.  
 10      27, 2014).

11       A showing of diligence is absent here. To the contrary, the pending motion indicates that,  
 12      notwithstanding the discovery cutoff of August 24, 2016, Defendant has conducted **no discovery of any**  
 13      **kind**. *See* Docket No. 27 at 1-2.<sup>1</sup> Instead, Defendant made a strategic decision not to conduct discovery  
 14      during the period already allotted because Defendant believes it is more efficient to conduct discovery  
 15      after resolution of its motion to strike the amended complaint. *See id.* at 2. The law in this District  
 16      could not be clearer on this issue as every active magistrate judge has held that even the filing of a fully  
 17      dispositive motion,<sup>2</sup> standing alone, does not automatically obviate the parties’ obligation to move  
 18      forward with discovery. *See Kor Media Group, LLC v. Green*, 294 F.R.D. 579, 581 (D. Nev. 2013)  
 19      (Koppe, J.); *Ministerio Roca Solida v. U.S. Fish & Wildlife*, 288 F.R.D. 500, 502 (D. Nev. 2013)  
 20      (Ferenbach, J.); *Tradabay, LLC v. eBay, Inc.*, 278 F.R.D. 597, 600-01 (D. Nev. 2011) (Leen, J.); *see also*  
 21      *Emhof v. Nationstar Mortgage LLC*, 2016 WL 3625548, \*1 (D. Nev. July 6, 2016) (Foley, J.); *Klaizner*  
 22      *v. Ditech Financial LLC*, 2016 WL 3176579, \*1 (D. Nev. June 2, 2016) (Hoffman, J.); *Martinez v. MXI*  
 23      *Corp.*, 2015 WL 8328275, \*3 (D. Nev. Dec. 8, 2015) (Cooke, J.); *Money v. Banner Health*, 2012 WL

25       <sup>1</sup> The motion was filed initially the day before the expiration of the discovery cutoff, August 23,  
 26      2016. *See* Docket No. 25.

27       <sup>2</sup> To be clear, the pending motion does not appear potentially dispositive of this case, as Defendant  
 28      characterizes its resolution as impacting only the scope of discovery. *See, e.g.*, Docket No. 27 at 2.

1 1190858, \*4 (D. Nev. Apr. 9, 2012) (Cobb, J.). Indeed, that has been settled law in this District for  
 2 decades. *See, e.g., Twin City Fire Ins. Co. v. Employers Ins. of Wausau*, 124 F.R.D. 652, 653 (D. Nev.  
 3 1989). Notwithstanding this well-settled proposition, Defendant conducted no discovery of any kind  
 4 and, on the eve of the discovery cutoff, sought to extend discovery on the sole ground that a motion to  
 5 strike is pending, the resolution of which may impact the scope of discovery. When asked at the hearing  
 6 what legal authority would allow a finding of diligence in these circumstances, Defendant's counsel  
 7 responded that he has no legal authority. Hearing Rec. (9/7/2016) at 9:43 a.m. Defendant's decision  
 8 to conduct no discovery is antithetical to the required showing of diligence, and that lack of diligence  
 9 is fatal to the pending motion.

10 Moreover, Plaintiff argues that granting the motion to extend will prejudice him by unfairly  
 11 delaying this case. *See* Hearing Rec. (9/7/2016) at 9:44 a.m.<sup>3</sup> Although a finding of prejudice is not  
 12 required to find a requested modification of the scheduling order to be improper, it may supply  
 13 additional reasons to deny the motion. *See, e.g., Johnson*, 975 F.2d at 609. The Court agrees with  
 14 Plaintiff that prejudice would result from granting the motion and this further militates against  
 15 Defendant's motion. *Cf. Lockheed Martin Corp. v. Network Solutions, Inc.*, 194 F.3d 980, 986 (9th Cir.  
 16 1999) (reopening discovery and delaying proceedings supports a finding of prejudice).

17 IT IS SO ORDERED.

18 DATED: September 7, 2016

19   
 20 NANCY J. KOPPE  
 United States Magistrate Judge

21  
 22  
 23  
 24  
 25  
 26  
 27 <sup>3</sup> The Court construes the arguments of *pro se* parties liberally. *See, e.g., Hebbe v. Pliler*, 627 F.3d  
 28 338, 342 (9th Cir. 2010).
